

# Navy COMMON ACCESS CARD Program Management Office

Donna Freedman

CAC PM

Commander Navy Installations

Jeff Huskey  
Deputy CIO

# Welcome and Introductions

- ◆ DoD Access Card Office
- ◆ Air Force Representatives
- ◆ Army Representatives
- ◆ Marine Corps Representatives
- ◆ Navy Representatives

# Why Are We Here

- ◆ Continue the dialog with the Service Representatives on the Navy-wide plan for the DEERS/RAPIDS download of the Joint Data Model (JDM)
- ◆ Brief, discuss and demonstrate the JDM and CAC Backward Compatible applications
- ◆ Provide the Navy's DEERS/RAPIDS procedures to issue CACs without the JDM to other services
- ◆ Seek approval to present the plan to download the JDM in accordance with the DoD Cross-servicing agreement to the SCSCG

# Program Management Office

## ◆ Responsibilities

Provide CAC functional application management and resource allocation for CNI Deputy CIO, the Program Resource Sponsor

## ◆ Mission

Promote and implement smart card technology through reengineered business practices with the CAC

# Program Management Office

## ◆ Vision

Achieve Return on Investment (ROI) savings while improving and providing best business practices and Quality of Life (QOL)

## ◆ Strategy

Begin with the Navy-wide implementation of Smart Card Food Service and then increase efficiencies through the use of multi-applications and economies of scale
